400 QM LAGERPLATZ

1 day has 24 hours, 1 hour – 60 minutes, 1 minute – 60 seconds

Dortmund, 9:03 – 9:04 local time

What happens in your company in this short period of time?

1 employee of the disposition plans the receipt of 25 tons of metal. Quick check in the **S**ystem: 400 sqm warehouse space available.

Mr. **S**ommer in the **F**inancial accounting forwards 5 invoices and monitors the receipt of payment.

Mr. Köster from the incoming goods department adds a new shipment to the enterprise resource planning system. New value of goods: € 5,4 million

W

Mrs. Müller from the trading department notes that the stock market value has fallen by 4.2 % compared to the previous day and orders 300 tons of metal.

4,2 %

In just one minute, Mr. Schmidt has gotten a general idea of the processes in his company - all risk positions are in the green zone. This and much more allows the **“new way of trading”**.

About tegos

The Company

Since 1998, tegos GmbH in Dortmund has established itself as one of the world's leading provider of complete IT solutions for the waste management and recycling industry.

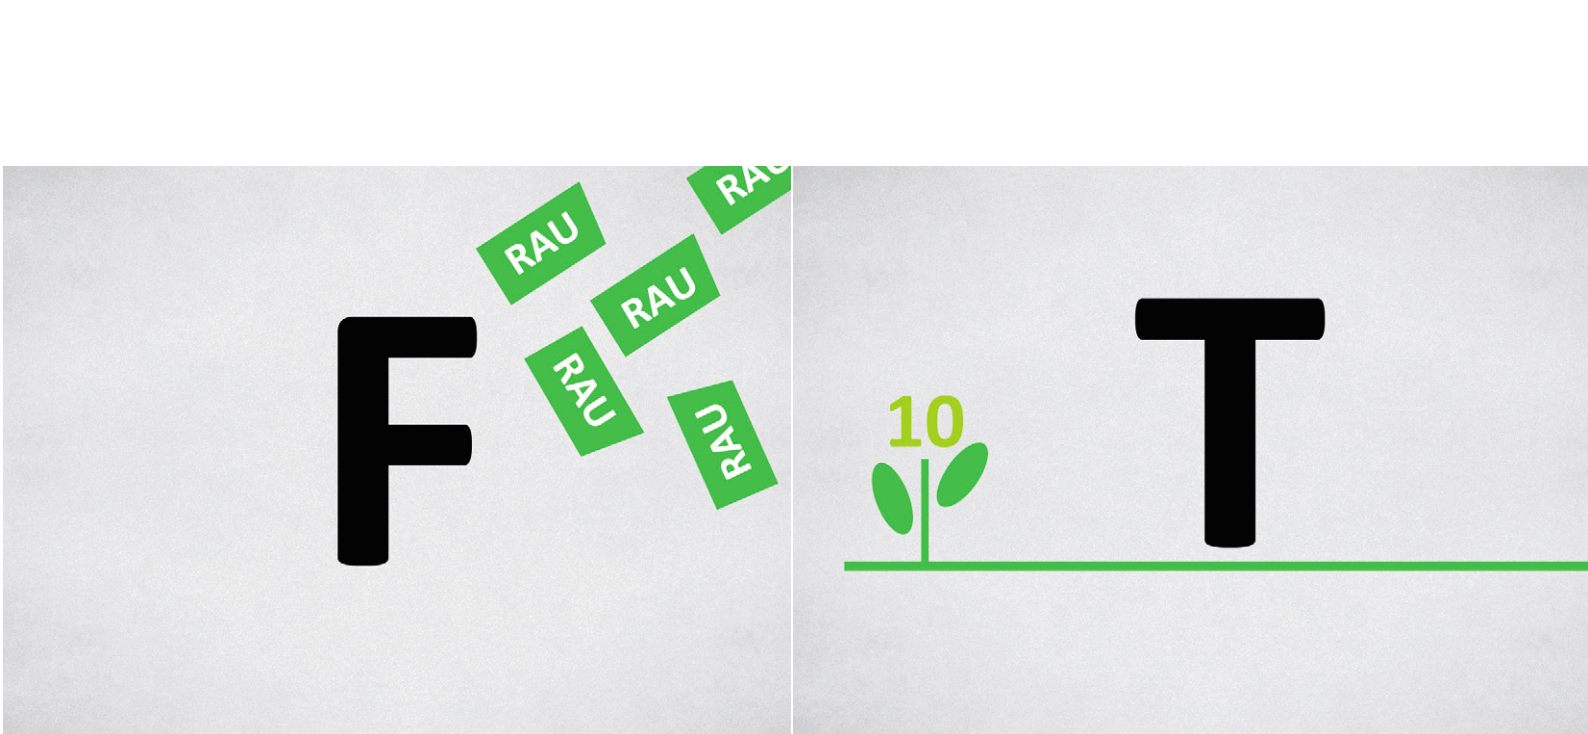

Since 2011, tegos provides **comotor**, a compact Software Solution tailored to the metal and commodities trading.

All areas from contract and order management to warehouse management and finance management are integrated into one system: **comotor**. A direct exchange connection included.

4,2 %

The market value of a commodity is fallen by 4.2% compared to the previous day. Ms. Müller from the trade department sees the current price and responds immediately.
